**New Book by the author of the Handbook,
BE FAITHFUL AND ATTENTIVE!**

**CAN YOU KNOW IF YOU ARE
LIVING IN THE DIVINE WILL?
A Response to Four Common Questions**

by Robert T. Hart (200 pgs)

Our Lord said of the truths concerning His Divine Will given in the BOOK OF HEAVEN: "...according to the clarity with which they will be expounded, so will they produce their effects" (Vol. 19: Aug. 18, 1926). In this new book Mr. Hart tackles four questions that commonly arise in Divine Will circles, giving clear, comprehensive explanations and answers that go far beyond the scope of each question. If you benefited from the instruction given in BE FAITHFUL AND ATTENTIVE, you are sure to benefit greatly from this book as well.

"I believe that this excellent manuscript will do a world of good."
